WHOLESALE PRICE LIST

for

Market Gardeners

This wholesale price list is the only catalog we are issuing this year. The descriptive catalog as previously issued has been discontinued. While seeds of many varieties are short we shall make every effort to fill orders to the best of our ability but all orders are taken and all quotations herein are subject to sold out and market changes.

NOTICE: We have found it necessary to discontinue our Flower Seed Department.

FREE TRANSPORTATION AS OUTLINED BELOW

FREE TRANSPORTATION. All seeds quoted herein are shipped anywhere in the United States or its possessions by Parcel Post, Express or Freight, our option, all transportation and packing charges paid by us excepting Peas, Beans and Corn which we cannot ship prepaid beyond 600 miles from Columbus, Ohio, unless accompanied by a general order. Large bulk orders which may include Peas, Beans, and Corn will be shipped to your nearest express or freight office, transportation paid.

PLEASE READ THIS BEFORE ORDERING

One-half pound of any vegetable variety may be purchased at pound rate except where $\frac{1}{2}$ pound price is quoted.

50 pounds or more takes 100 pound rate, less than 50 pounds, 25 pound rate.

We cannot supply less than 5 lbs. of any one variety at the 5 pound rate nor 5 lbs. made up of two or more varieties at the 5 pound rate; neither can we supply 2 ounces at the ¼ pound rate.

All prices are quoted subject to sold out and market changes.

C.O.D. ORDERS

Due to labor shortage and the extra work involved in making C.O.D. shipments we request that remittance accompany all orders. This will facilitate quick handling and save you the C.O.D. and Money Order return expense.

OUR GUARANTEE

We guarantee the safe arrival of your seeds. We will refund your money or give value in other seed if, after properly testing at time of receipt, our seed fails to grow. Our germination test is printed on all packages (not packets) we send out.

NON-WARRANTY

Contingencies continually arising prevent the very best seeds always giving satisfaction. For these reasons, it is impossible to guarantee seeds under all circumstances; therefore "The Livingston Seed Company gives no warranty, express or implied, as to the productiveness of any seeds or bulbs it sells and will not be in any way responsible for the crop. Our liability, in all instances, is limited to the purchase price of the seed."

PARCEL POST RATES

Where you must remit postage, determine the weight of the article and ask your postman for the amount of postage required from Columbus, Ohio, to your address and remit that amount.
